

Water Smart Technology Program

For all Industrial/Commercial/Institutional Facilities.

**UP To 50%
INCENTIVES**

FOR ELIGIBLE, COST EFFECTIVE
PROJECTS IN 2007

Application Procedure

1. Confirm the facility is located in the Saving Water Partnership service territory (see list, below left)
2. Complete this application.
3. Send in the application: **Water Smart Technology Program**
 Fax: (206) 684-8529 **PO Box 34027**
 Phone: (206) 684-5883 **Seattle, WA 98124-4027**
4. In most cases a site visit will be scheduled after application review, and information will be collected as necessary to review the proposed project. An approval letter or participation agreement to proceed with the project will follow the site visit.
5. Applicant completes the project, submits relevant supporting documents to SPU, and schedules a project inspection.
6. Completed project is approved and final incentive is paid.

Project Description (briefly describe project including expected utility savings)

By signing this application, the Applicant acknowledges and agrees to the following terms and conditions:

- The information provided on this form is true, correct, and complete.
- The release of utility records to the City of Seattle, Seattle Public Utilities for the facility described above. The data will be used for analysis and evaluation of water savings in this facility. All information is confidential.
- Seattle Public Utilities shall have the right, but not the obligation, to inspect the installed project for the sole purpose of verifying that installations are in conformance with program requirements. Inspections are not a certification, warranty or other approval with respect to the Applicant's compliance with applicable laws, ordinances, and building codes.
- Seattle Public Utilities has not and does not make any representations or promises with respect to the projects water consumption, and/or water savings from the installed products. Seattle Public Utilities makes no implied or express warranties regarding this program or its policies, procedures, and/or any installed products, AND specifically disclaims any warranty of merchantability, or fitness for a particular purpose.
